25 June 2020

Dear Mr Sunier

**ELECTRICITY ACT 1989 (AS AMENDED)**

**MARINE (SCOTLAND) ACT 2010 & MARINE AND COASTAL ACCESS ACT 2009, PART 4 MARINE LICENSING**

**Moray Offshore Renewables Limited (Telford Offshore Wind Farm, Stevenson Offshore Wind Farm and MacColl Offshore Wind Farm formerly MORL, now Moray Offshore Windfarm (East) Limited “Moray East”)**

**Section 36 Consents (as varied): Conditions 9 and 10**

**Marine Licence (Licence Number 05340/19/0): Conditions 3.2.2.3 and 3.2.2.4**

**Marine Licence (Licence Number 06357/17/1): Conditions 3.2.2.3 and 3.2.2.4 (collectively referred to as “the Conditions”)**

Thank you for your correspondence requesting that Marine Scotland Licensing Operations Team (“MS-LOT”), give its written approval to the updated Construction Programme (“CoP”) and Construction Method Statement (“CMS”), issued on 22 May 2020.

Previous versions of the CoP & CMS (issued 27 September 2018, 24 April 2019 and 30 January 2020), received consent and regulatory approval from MS-LOT, on behalf of the Scottish Ministers, in the letters dated 2 November 2018, 30 April 2019 and 6 February 2020 which deemed it sufficient to fully discharge the Conditions, subject to it being fully implemented.

MS-LOT, on behalf of the Scottish Ministers, has consulted with Scottish Natural Heritage, Scottish Environment Protection Agency, Aberdeenshire Council, The Highland Council, the Maritime and

Coastguard Agency, the Northern Lighthouse Board and the Scottish Fishermen's Federation. The Royal Society for the Protection of Birds and Moray Council were also consulted but did not provide a response to the consultation at this time.

I can confirm that the updated CoP & CMS fulfils the requirements of, and is sufficient to discharge the Conditions, subject to it being fully implemented.

MS-LOT, on behalf of Scottish Ministers, therefore confirms its approval of the updated CoP & CMS (issued 22 May 2020). Any further updates or amendments made to the CoP & CMS (including updates to any of its appendices), must be submitted in writing by Moray East to the Scottish Ministers for its written approval prior to the planned implementation of the proposed amendments or updates.

Yours sincerely,

Debbie England  
Marine Scotland Licensing Operations Team
