15 April 2025

Dear Mr Howarth,

Marine and Coastal Access Act 2009

TotalEnergies E&P North Sea UK Limited ("the Licensee")
Company Number 03682299

Offshore Generating station marine licence – condition 3.2.12

Lighting and Marking Plan ("LMP")

I refer to your correspondence dated 31 January 2025 in which the Licensee submitted the LMP dated 30 January 2025.

MD-LOT has consulted with NatureScot, the Civil Aviation Authority, the Maritime and Coastguard Agency, the Northern Lighthouse Board and the Ministry of Defence on the LMP and no update was required.

MD-LOT on behalf of the licensing authority approve the LMP dated 30 January 2025.

Any further updates or amendments made to the LMP, including any amendments to its appendices, must be submitted to the licensing authority by the Licensee, in writing for written approval prior to the planned implementation of the proposed amendments or updates.

Unless otherwise agreed in writing by the licensing authority all activities must proceed in accordance with the approved LMP.

Yours sincerely,

Toni-Marie McGinn
