#### EXEMPTION DIRECTION

#### APPLICATION FOR A MARINE LICENCE UNDER THE MARINE (SCOTLAND) ACT 2010 FOR DALGETY BAY REMEDIATION CONSTRUCTION WORKS

Dear Redacted

THE MARINE WORKS (ENVIRONMENTAL IMPACT ASSESSMENT) (SCOTLAND) REGULATIONS  
2017 (AS AMENDED).

The Scottish Ministers have reviewed the Report of Handling and Decision Notice produced by Fife Council on the planning application for Dalgety Bay Remediation (Ref 17/00551/EIA), and direct that The Marine Works (Environmental Impact assessment) (Scotland) Regulations 2017 (as amended) ("the 2017 MW Regulations") do not apply in this case.

I can confirm that the Scottish Ministers are satisfied an assessment of the effects on the environment of the works has been carried out by Fife Council and is sufficient to meet the requirements of Directive 2011/92/EU of the European Parliament and of the Council on the assessment of the effects of certain public and private projects on the environment, as per Regulation 8(4) of the 2017 MW Regulations.

Kind Regards,
