01 July 2020

Dear Ms Royle,

**THE ELECTRICITY WORKS (ENVIRONMENTAL IMPACT ASSESSMENT) (SCOTLAND)
REGULATIONS 2017 (AS AMENDED)**

THE ELECTRICITY ACT 1989 (AS AMENDED)

DECISION NOTICE RELATIVE TO APPLICATION FOR MULTI-STAGE CONSENT

**CONSTRUCTION AND OPERATION OF THE SEAGREEN BRAVO OFFSHORE WIND
FARM, LOCATED 38 KILOMETRES OFF THE EAST OF THE ANGUS COASTLINE**

1. Description of the Application

- 1.1 On 10 October 2014 the Scottish Ministers, granted in favour of Seagreen Bravo Wind Energy Limited (Company Number 07185543), having its registered office previously at 55 Vastern Road, Reading, Berkshire and now at No. 1 Forbury Place, 43 Forbury Road, Reading, consent under section 36 (“s.36”) of the Electricity Act 1989 (as amended) relative to the above works. The said s.36 consent was varied by the Scottish Ministers on 28 August 2018 (“the s.36 consent”). Subsequently on 29 October 2019, the s.36 consent was assigned, with the authority of the Scottish Ministers, to Seagreen Alpha Wind Energy Limited (Company Number 07185533), having its registered office at No. 1 Forbury Place, 43 Forbury Road, Reading (“the Company”). Condition 10 of the s.36 consent requires the Company to submit a Construction Method Statement (“CMS”) for approval by the Scottish Ministers prior to commencing the above works.
- 1.2 On 13 February 2020 the Company submitted to the Scottish Ministers the CMS for approval and applied for multi-stage consent, in relation thereto and in accordance with condition 10 of the s.36 consent.

2. Reasons and Considerations on which this decision is based

- 2.1 Following consultation with Scottish Natural Heritage, the Northern Lighthouse Board, the Maritime Coastguard Agency, the Royal Society for the Protection of Birds, Angus Council and the Scottish Environment Protection Agency, an amended CMS was submitted to the Scottish Ministers by the Company on 23 April 2020.
- 2.2 The information contained in the CMS is within the parameters of what has already been assessed within the Environmental Statement, the Addendum and the Erratum submitted in respect of the s.36 consent.
- 2.3 The Company was not required to submit additional information under regulation 25 of the Electricity Works (Environmental Impact Assessment) (Scotland) Regulations 2017 (as amended) in relation to the application for multi-stage consent.

3. Determination and Terms of Decision

- 3.1 The Scottish Ministers, hereby approve the CMS as submitted on 23 April 2020 and grant multi-stage consent in relation thereto.
- 3.2 In the event that the Company wishes to update or amend the CMS, the Company must submit, in writing, details of the proposed updates or amendments to the Scottish Ministers for their written approval prior to the planned implementation of the proposed updates or amendments. It is not permissible for any works associated with the proposed updates or amendments to proceed prior to the granting of such approval.

Unless otherwise agreed, in writing by the Scottish Ministers, all works must proceed in accordance with the CMS.

- 3.3 This Decision Notice has been published on the Scottish Government's website: <http://marine.gov.scot/ml/seagreen-alpha-and-bravo-offshore-wind-farms>
- 3.4 A copy of this Decision Notice has also been sent to the relevant planning authorities.
