Dear Sophie,

Thank you for consulting us about the proposed Environmental Clerk of Works (ECoW) for the KOWL offshore windfarm.

We note the choice of ECoW and consider the selection appropriate for this project. Although most of his expertise is for terrestrial projects, he has many transferrable skills that will be applicable for the KOWL project. We trust KOWL will assist in providing training opportunities with regard to marine aspects of the proposal.

Please get in touch if you have any queries about our comments.

Regards,

Tracey
