Export Cable Plan (“Export CaP”)

I refer to your correspondence dated 20 October 2023 in which the Company submitted the Export CaP dated 20 October 2023.

The Export CaP received multi-stage regulatory consent from the Marine Directorate - Licensing Operations Team (“MD-LOT”) on behalf of the Scottish Ministers in a letter dated 7 December 2022.

MD-LOT has consulted with NatureScot, the Maritime and Coastguard Agency, the Scottish Fishermen's Federation, Mountaineering Scotland and Fordyce Sandend and District Community Council on the revised plan and no update was required.

MD-LOT on behalf of the licencing authority approve the revised plan dated 20 October 2023.

Any further updates or amendments made to the revised plan, including any amendments to its appendices, must be submitted to the licensing authority by the Company, in writing for written approval prior to the planned implementation of the proposed amendments or updates.

Unless otherwise agreed in writing by the licensing authority all activities must proceed in accordance with the approved revised plan.

Yours sincerely,

Judith Horrill
