2

This single site represents an opportunity capable of generating up to 4.1 GW of clean, renewable energy; capable of powering more than 5 million homes and removing 8 million tonnes of Carbon Dioxide each year, which is the equivalent of removing all of Scotland's annual car emissions.

Ahead of submitting our planning applications to Marine Scotland and East Lothian Council in May 2022, the Project team has been hosting a series of engagement and consultation events in the local area. The next of these events will be a Community Roadshow across East Lothian between 25<sup>th</sup> October-29<sup>th</sup> October. During this week members of the project team will be travelling around the community, and we would love to meet as many local people as possible to discuss our plans in some more detail and hear your feedback. The dates and locations for the roadshow will be as follows:

25th October - North Berwick High Street (AM), North Berwick Community Centre (PM)

26<sup>th</sup> October – Tesco, Tantallon Rd, North Berwick (AM). Dirleton, Gullane & North Berwick Sports Centre (PM)

27th October – Dunbar High Street (AM), Skateraw, Thorntonloch & Innerwick Villages (PM)

28th October – North Berwick Harbour (AM), Aldi, Dunbar Rd, North Berwick (PM)

29th October – Hallhill Sports Centre, Dunbar (AM), Broxburn & West Barns (PM)

If you have any questions or queries, please do not hesitate to get in touch with me directly. You can also find out more information on our proposals and our upcoming roadshow (including timings) at our project website, <u>www.berwickbank.com</u>

We really hope you can join us and hear more about this world-leading project – a project that will help put East Lothian at the forefront of the growing global offshore wind sector.

Yours sincerely.
