Dear Sir/Madam,

**Application to Disturb Marine Species, Aberdeen Offshore Wind Farm Limited**

Further to your request dated 27 October 2017 for a revision to licence no. MS EPS 25 2017 00 in relation to the construction of the European Offshore Wind Deployment Centre at Aberdeen Bay, please find enclosed a copy of the revised licence, MS EPS 25/2017/01. Please quote the licence number should you require to contact us again regarding this matter.

I am obliged to draw your attention to the conditions contained within the licence, as detailed by our advisors. Under *The Conservation (Natural Habitats, &c.) Amendment (Scotland) Regulations 2007*, it is an offence to fail to comply with those conditions.

You will note that the licence runs to 30 September 2018. If a new licence is required, it should be applied for before this licence expires to allow a possible extension rather than a complete new application.

Yours sincerely
