Dear MS-LOT,

Further to our meeting on Friday 14th January, where resource issues were highlighted and as much advance notice as possible requested, I hereby request extension of the following licences to cover the pre- and post- installation survey activities for our proposed subsea power cable installation across Loch Broom:

BS-00009371

EPS-00009369

Could the validity period of both licences be extended to 31/05/23?

Many thanks,

Sheena
