4. Pre-application Consultation Event

Please describe below or, where there is insufficient space, in a document attached to this form the pre-application consultation event

Please see Inch Cape Offshore Wind Farm Pre-Application Consultation Report - Additional Landfall Works Section 4.1 titled 'Pre-Application (PAC) Event'.

5. Information provided by the Prospective Applicant at the Pre-application Consultation Event

Please provide below or, where there is insufficient space, in a document attached to this form details of any information provided by the prospective applicant for a marine licence at the pre-application consultation event

Please see Inch Cape Offshore Wind Farm Pre-Application Consultation Report - Additional Landfall Works Section 4.2 titled 'Information provided by prospective application and PAC Event'.

6. Information received by the Prospective Applicant at the Pre-application Consultation Event

Please provide below or, where there is insufficient space, in a document attached to this form details of any comments and objections received by the prospective applicant for a marine licence at the pre-application consultation event

The in-person consultation event was attended by 7 people. No feedback forms were completed either at the event or online and no direct emails were received.

Images from the in-person event are provided in Appendix E of the Inch Cape Offshore Wind Farm Pre-Application Consultation Report.

7. Amendments made, or to be made, to the Application for a Marine Licence by the Prospective Applicant following their Consideration of Comments and/or Objections received at the Pre-application Consultation Event

Where any amendments are made, or are to be made, by the prospective applicant for a marine licence to the marine licence application as a direct result of their consideration of comments and/or objections received at the pre-application consultation event, please provide below or, where there is insufficient space, in a document attached to this form details of such amendments

The consultation event generated very little interest and no feedback on the Additional Landfall Works was received. As such no amendments to the application have been made.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

8. Explanation of Approach taken by the Prospective Applicant where, following Relevant Comments and/or Objections being received by the Prospective Applicant at the Pre-application Consultation Event, no Relevant Amendment is made to the Application for a Marine Licence

Where, following comments and/or objections having been received by the prospective applicant for a marine licence at the pre-application consultation event, no relevant amendment is made to the application for a marine licence by the prospective applicant, then please provide below or, where there is insufficient space, in a document attached to this form an explanation for the approach taken

The consultation event generated very little interest and no feedback on the additional landfill works was received. As such no amendments to the application have been made.
