

KelpCrofting

Public Meeting – proposal for seaweed farm at South Pabay, Isle of Skye

KelpCrofting are an environmental start-up that would like to establish an 11.5 hectare seaweed farm in the waters south of Pabay, Isle of Skye, to grow kelp for various markets. Prior to applying for a marine licence, an online public meeting is being held to give interested individuals and organisations the opportunity to consider and comment on the proposed development, and KelpCrofting are keen to talk with local people about the proposal.

Online Meeting Details:

- Friday 3rd July 2020
- 16:30 - 18:00 hrs
- Register in advance for this meeting using the link below, or emailing info@kelpcrofting.com for an invite:
https://us02web.zoom.us/meeting/register/tZUtcuCsqDstGdfg3qrUrMPL_27bYqDR2RPz
- After registering, you will receive a confirmation email containing information about joining the meeting.

****Anyone wishing to comment on the proposal or submit questions to be addressed at the online Zoom meeting, please send them to info@kelpcrofting.com by the 17:00 on the 2nd July 2020. A Q&A document will also be published at www.kelpcrofting.com after the meeting****

NOTE: KelpCrofting is conducting a pre-application consultation for a seaweed farm at south Pabay, Isle of Skye. Any comments made to the prospective applicant are not representations to the Marine Scotland Licensing Authority (MS-LOT). There will be an opportunity for representations to be made to MS-LOT on the application.
