Dear Mr Macaskill,

ELECTRICITY ACT 1989

KINCARDINE OFFSHORE WIND FARM

ENVIRONMENTAL MANAGEMENT PLAN - CONDITION 13 OF THE SECTION 36 CONSENT (AS VARIED)

I refer to correspondence dated 18 May 2022 in which Kincardine Offshore Wind Limited (“the Company”) submitted revision C5 of the Environmental Management Plan (“EMP”) to the Scottish Ministers for written approval.

A previous version of the EMP received multi-stage consent and regulatory approval from Marine Scotland – Licensing Operations Team (“MS-LOT”), on behalf of the Scottish Ministers, in a decision notice dated 26 March 2020.

MS-LOT has consulted with NatureScot and Scottish Environment Protection Agency on revision C5 of the EMP dated 1 April 2022 and no concerns were raised.

MS-LOT, on behalf of Scottish Ministers, hereby approves revision C5 of the EMP dated 1 April 2022. Any further updates or amendments made to the EMP by the Company, must be submitted in writing by the Company to the Scottish Ministers for written approval prior to the planned implementation of the proposed amendments or updates.

Unless otherwise agreed in writing by the Scottish Ministers, all activities must proceed in accordance with the approved EMP.

Yours sincerely,
Marc MacFarlane
