Dear **MMO/Marine Scotland**

**06474 - Clyde Waterfront Renfrew Riverside (CWRR) project – Renfrewshire Council (per Sweco) – Capital Dredging of emergency berthing facility**

Thank you for the opportunity to comment on the potential impact of the above proposed works on the safety of navigation.

The Marine Licence application and supporting documentation have been considered by Navigation Safety Branch. On this occasion, the Maritime and Coastguard Agency (MCA) has no objection to consent being granted provided all maritime safety legislation is followed and the conditions/advisories below are applied:

In addition, the following advice should be provided to the applicant to facilitate the proposed works:

Advisories:

1. The site is within port limits and the applicant should gain the approval/agreement of the responsible local navigation authority or the Harbour Authority/Commissioners/Council. They may wish to issue local warnings to alert those navigating in the vicinity to the presence of the works, as deemed necessary.

If you require any further information please let me know.

Yours sincerely,

Navigation Safety  
Maritime and Coastguard Agency
