Thank you for your correspondence requesting that Marine Scotland Licensing Operations Team (MS-LOT) give its written approval to the updated Vessel Management Plan & Navigation Safety Plan (VMP/NSP) issued on 17 January 2020.

A original version of the VMP/NSP, (issued 26 March 2019) received multi-stage consent and regulatory approval from MS-LOT, on behalf of the Scottish Ministers, in a decision notice dated 29 April 2019 which deemed the VMP/NSP sufficient to fully discharge the conditions, subject to the VMP/NSP being fully implemented.
