1.3 Other authorisations and consents

The Licensee is deemed to have satisfied itself that there are no barriers or restrictions, legal or otherwise, to the carrying on of the Licensed Activities in connection with the licensed activity. The issuing of the licence does not absolve the Licensee from obtaining such other authorisations and consents, which may be required under statute.

1.4 Variation, suspension, revocation and transfer

Under section 30 (1) of the 2010 Act the Licensing Authority may by notice vary, suspend or revoke the licence granted by them if it appears to the Licensing Authority that there has been a breach of any of its provisions. For any such other reason that appears to be relevant to the Licensing Authority under section 30(2) or (3) of the 2010 Act. Under the 2010 Act variations, suspensions, revocations and transfers of licences are subject to the procedures set out in section 31 of the Act.

Under section 30 (7) of the 2010 Act, on an application made by a licensee, the Licensing Authority may vary a licence if satisfied that the variation being applied for is not material.

Under section 30 (8) of the 2010 Act, on an application made by the licensee, the Licensing Authority may transfer the licence from the Licensee to another person.

1.5 Breach of requirement for, or conditions of, licence

Under section 39 of the 2010 Act it is an offence to carry on a Licensable Marine Activity without a marine licence and it is also an offence to fail to comply with any condition of a marine licence.

1.6 Defences: actions taken in an emergency

Under section 40 of the 2010 Act it is a defence for a person charged with an offence under section 39(1) of the 2010 Act in relation to any activity to prove that –

the activity was carried out for the purpose of saving life, or for the purpose of securing the safety of a vessel, aircraft or marine structure ('force majeure'), and

that the person took steps within a reasonable time to inform the Licensing Authority as set out in section 40(2) of the 2010 Act.

1.7 Offences relating to information

Under section 42 of the 2010 Act it is an offence for a person to make a statement which is false or misleading in a material way, knowing the statement to be false or misleading or being reckless as to whether the statement is false or misleading, or to intentionally fail to disclose any material information for the purpose of procuring the issue, variation or transfer of a marine licence or for the purpose of complying with, or purporting to comply with, any obligation imposed by either Part 4 of the 2010 Act or the provisions of this licence.

1.8 Appeals

Under Regulation 3(1) of the Marine Licensing Appeals (Scotland) Regulations 2011 a person who has applied for a marine licence may by summary application appeal to against a decision taken by the Licensing Authority under section 71(1)(b) or (c) or (5) of the Act.

3. PART 3 – CONDITIONS

3.1 General Conditions

3.1.1. The Licensee must ensure that only the materials listed in Part 2 of the licence are used in the construction, alteration or improvement of works and that materials used are inert and do not contain toxic elements which may be harmful to the marine environment, the living resources which it supports or human health.

3.1.2. The Licensee must remove all temporary materials listed in Part 2 of the licence before the expiry date of the licence. The licence shall not continue in force after the expiry date of 30 November 2020.

3.1.3. The Licensee must ensure suitable bunding and storage facilities are employed to prevent the release of fuel oils, lubricating fluids associated with the plant and equipment into the marine environment.

3.1.4. The Licensee must ensure that no deviation from the schedule specified in the licence is made without the further written approval of the Licensing Authority.

3.1.5. If in the opinion of the Licensing Authority the assistance of a Government Department, including the broadcast of navigational warnings, is required to deal with any emergency arising from:

- a) The failure to mark and light the works as required by licence.
- b) The maintenance of the works.
- c) The drifting or wreck of the works.

The Licensee shall be liable for any expenses incurred in securing such assistance.

3.1.6. The Licensee must remove the works from below the level of Mean High Water Springs, or such alterations made, within one month of notice being given by the Licensing Authority at any time it is considered necessary or advisable for the safety of navigation, and not replaced without further approval of the Licensing Authority. The Licensee shall be liable for any expense incurred.

3.1.7. Any person authorised by the Licensing Authority must be permitted to inspect the works at any reasonable time.

3.1.8. In the event of the Licensee becoming aware that any of the information on which the issue of the licence was based has changed, the Licensing Authority must be immediately notified of the details.

3.2 Prior to the commencement of the Licensed Activity

3.2.1. The Licensee must notify the Licensing Authority of the date of commencement of all construction, alteration or improvement of works relating to the licence.

3.2.2. The Licensee must ensure that a copy of the licence is given to each contractor appointed to carry out part or all of the works in order that they are clear about the extent of 'the works' for which the licence has been granted and the conditions that are attached to the licence.

3.3 During the Licensed Activity

3.3.1. The Licensee must ensure that any debris or waste materials arising during the course of the works are removed from the site for disposal at an approved location above the tidal level of Mean High Water Springs.

3.3.2. The Licensee must ensure the best method of practice is used to minimise re-suspension of sediment during the works.

3.3.3. The Licensee must ensure appropriate steps are taken to minimise damage to the river bank by the works.

3.3.4. The Licensee must ensure that the works are maintained at all times in good repair.

3.3.5. In the event of the Licensed Activity being discontinued the works must be removed and the site cleared to the satisfaction of the Licensing Authority.

3.3.6. The Licensee must ensure that copies of the licence are available for inspection by any authorised Enforcement Officer at:

- a) the premises of the Licensee;
- b) the premises of any agent acting on behalf of the Licensee; and
- c) the site of the works.

3.4 Upon Completion of the Licensed Activity

3.4.1. The Licensee must notify the Licensing Authority of the date of completion of all construction, alteration or improvement of works relating to the licence.

3.4.2. The Licensee must submit a written report regarding the materials used during the works to the Licensing Authority. The written report must be submitted on completion of the works and on the forms provided by the Licensing Authority no later than 31 October 2021.

3.4.3. The Licensee must ensure the riverbank is returned to the original profile, or as close as reasonably practicable, following the completion of the works.

NOTES

1. You are deemed to have satisfied yourself that there are no barriers, legal or otherwise, to the carrying out of the licensed activity. The issue of the licence does not absolve the licensee from obtaining such authorisations, consents etc which may be required under any other legislation.

2. In the event that the licensee wishes any of the particulars set down in the Schedule to be altered, the licensing authority must be immediately notified of the alterations. It should be noted that changes can invalidate a licence, and that an application for a new licence may be necessary.
