The agent or licensee must notify the licensing authority immediately if a vessel not listed on the annex two is to be used for dredge and deposit. The information required by the licensing authority regarding the additional vessel(s) will be the same as the information already provided for the vessels on the annex two. **Discharge operations using any additional vessel(s) may only commence if a revised annex two, including details of the additional vessel(s), is issued by the licensing authority.**

Signed:

Rebecca Bamlett

For and on behalf of the licensing authority
