Dear Mr Morrison,

MARINE (SCOTLAND) ACT 2010, PART 4 MARINE LICENSING

Moray Offshore Windfarm (West) Limited – Marine Licence for Unexploded Ordnance Clearance

I refer to your application for a licence in respect of the above proposal.

I am pleased to inform you that the Licensing Authority has no objections to the issue of the requested licence, and I therefore enclose licence number MS-00010033. You are advised to carefully check the licence and schedule documents. If there are any errors, please inform the Licensing Authority immediately.

You should note that the licence includes a condition where the Licensee must ensure that mitigation measures for high order detonation is implemented for low order deflagration and high order detonation methods.

If circumstances arise which necessitate changes to your licence you should advise the Licensing Authority as soon as possible. After a licence has expired, it cannot be amended or extended in any way, and a new licence application (accompanied by the relevant fee) is required. Processing the new application may take up to fourteen weeks from the date of receipt of the application fee.

Under the Marine Licensing Appeals (Scotland) Regulations 2011 (S.S.I. 2011/203), you are entitled to appeal if you are dissatisfied with any condition in the licence. An appeal may be lodged in any sheriff court in Scotland and must be lodged no later than 21 days after the date of this letter.

All correspondence or communications relating to this letter or the licence document should be sent ms.marinerenewables@gov.scot

Yours sincerely

Jessica Malcolm
