Dear Mr Walker,

Application to Disturb Marine Species, Near na Gaoithe Offshore Wind Limited

Further to your application received 30 May 2019 in relation to an unexploded ordnance inspection survey of Near na Gaoithe Offshore Wind Farm area and Export Cable Corridor, I can inform you that the conditions for issue of a licence have been met and a copy of the licence, MS EPS 16/2019/0 is enclosed. Please quote the licence number should you require to contact us again regarding this matter.

I am obliged to draw your attention to the conditions contained within the licence, as detailed by our advisors. Under *The Conservation (Natural Habitats, &c.) Amendment (Scotland) Regulations 2007*, it is an offence to fail to comply with those conditions.

You will note that the licence runs to 18 October 2019. If a new licence is required, it should be applied for before this licence expires to allow a possible extension rather than a complete new application.

Yours sincerely

Rebecca Bamlett
