Dear [REDACTED]

Application to Disturb Marine Species, Moray Offshore Windfarm (East) Limited

Further to your request dated 6 June 2019 for a revision to licence no. MS EPS 31 2018 1 in relation to the construction of Moray East Offshore windfarm and Offshore Transmission Infrastructure at the site of the Moray East Wind Farm, please find enclosed a copy of the revised licence MS EPS 31 2018 2. Please quote the licence number should you require to contact us again regarding this matter.

I am obliged to draw your attention to the conditions contained within the licence, as detailed by our advisors. Under *The Conservation (Natural Habitats, &c.) Amendment (Scotland) Regulations 2007* and *The Conservation of Offshore Marine Habitats and Species Regulations 2017*, it is an offence to fail to comply with those conditions.

You will note that the licence runs to 30 September 2021. If a new licence is required, it should be applied for before this licence expires to allow a possible extension rather than a complete new application.

Yours sincerely
