NEART NA GAOITHE OFFSHORE WIND LIMITED

SECTION 36 CONSENT CONDITION 18, OGS MARINE LICENCE CONDITION 3.2.2.7 & OfTI MARINE LICENCE CONDITION 3.2.2.6 (EMERGENCY RESPONSE COOPERATION PLAN (ERCoP))

Thank you for your correspondence dated 6th November 2019 regarding the submission by **Neart na Gaoithe Offshore Wind Ltd** of the revised Emergency Response Cooperation Plan (ERCoP), to satisfy the above conditions of consent, relating to the installation and operation of wind turbines, offshore sub-stations and the associated electrical interconnecting and export cables at their wind farm site in the outer Firth of Forth.

Northern Lighthouse Board note that this plan applies to the Construction, Operational and Decommissioning phases of the windfarm.

We are content with the details contained within the ERCoP, and are satisfied that recommendations referenced in Section 6.4 for the marking and lighting for all three phases are consistent with that of the previously submitted Lighting and Marking Plan (LMP).

We will continue regular communications with **Neart na Gaoithe Offshore Wind Ltd** and their representatives as the project progresses to ensure the mariner is best informed of any works being carried out in relation to the project, and that these are marked in the most appropriate manner.

Please advise if we can be of any further assistance, or require clarification any of the above.
