---

Good evening, Sir or Madam,

We are writing on behalf of West Coast Seaweed Ltd, who have plans to establish a seaweed farm in the Camas na h-Airigh bay next to Froch Eilean, Gairloch. Subject to licensing consent, the permanent seaweed moorings structure will be deployed in October 2022.

Due to Covid-19 we have been advised by Marine Scotland that we should hold an online consultation event on Zoom webinar (free video conferencing platform). Please email Nick & Emily at [westcoastseaweed@outlook.com](mailto:westcoastseaweed@outlook.com) if you would like to attend the event by Friday 19<sup>th</sup> May. If you would like submit any questions before the event, please do email us.

Please note, all comments on the project are made directly to West Coast Seaweed Ltd, not to Marine Scotland's Licensing Operations Team (MS-LOT). There will be an opportunity for representations to be made to the MS-LOT on the license application.

We look forward to sharing our project with you and answering your questions on the 20<sup>th</sup> May 2022.  
With kind regards,

Nick Moore & Emily Watson
