Subject: Kincardine Offshore Windfarm Ltd - Navigational Safety Plan - Consultation - Response required by 23rd April 2018

ELECTRICITY ACT 1989 (AS AMENDED)

The Electricity Works (Environmental Impact Assessment) (Scotland) Regulations 2000 (As Amended)

MARINE AND COASTAL ACCESS ACT 2009

MARINE (SCOTLAND) ACT 2010

The Marine Works (Environmental Impact Assessment) Regulations 2017 (As Amended)

Dear Sir/Madam,

Kincardine Offshore Windfarm Limited ("KOWL"), having received consent under the above legislation and in order to discharge a condition of their section 36 Consent, in respect of the Navigational Safety Plan ("NSP"), has submitted to the Licensing Authority the document attached.

Please find attached a proposed Navigational Safety Plan ("NSP"). The purpose of the NSP is to attempt to satisfy the requirements of:

- s.36 Consent Condition 16. Navigational Safety Plan

The Decision Letter and Conditions, marine licence and other relevant documents, can be found on our website, following the link below:

<http://www.gov.scot/Topics/marine/Licensing/marine/scoping/Kincardine/decision-letter>

The conditions state that the plans are to be submitted to the Scottish Ministers for their written approval, following a consultation with the appropriate stakeholders as specified in the consent conditions, and any such other advisors as may be required at the discretion of the Scottish Ministers .

We would appreciate any comments you may have on the attached NSP and its suitability to discharge the condition in order to determine whether it is fit for purpose for the Scottish Ministers to give it their written approval. Please note that we do not seek comments on the Marine Licence, the Consent nor on the conditions, which will not be amended.

If you wish to submit any comments, please send them to MS.MarineRenewables@gov.scot before the **23rd April 2018**. If you have no comments to make please submit a “nil return” response.

Yours faithfully

28 March 2018

Dear Alan,

**ELECTRICITY ACT 1989 (AS AMENDED)
The Electricity Works (Environmental Impact Assessment) (Scotland)
Regulations 2000 (As Amended)
MARINE AND COASTAL ACCESS ACT 2009
MARINE (SCOTLAND) ACT 2010
The Marine Works (Environmental Impact Assessment) Regulations 2017 (As
Amended)
TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997 (AS AMENDED)**

We are in receipt of correspondence dated 16 and 26 March 2018 requesting comments on documents submitted by **Kincardine Offshore Wind Limited** to satisfy the requirements of their s.36 Consent Conditions, namely

- The Construction Programme;
- The Operation and Maintenance Programme;
- The Construction Method Statement;
- The Development Specification and Layout Plan; and
- The Navigational Safety Plan.

We are content that the submitted documentation meets with those requirements of KOWL's s.36 Consent Conditions 9, 10, 11, 15 and 16, which are of relevance to the Northern Lighthouse Board.

Please advise if we can be of any further assistance, or require clarification any of the above.

Dear Sir/Madam,

Kincardine Offshore Windfarm Limited ("KOWL"), having received consent under the above legislation and in order to discharge a condition of their section 36 Consent, in respect of the Design Statement, has submitted to the Licensing Authority the document attached.

Please find attached a proposed Design Statement and a link to Design Statement Appendix A visualisations http://pilot-renewables.com/pdf_docs/design-statement-appendix-a-visualisations.pdf

The purpose of the Design Statement is to attempt to satisfy the requirements of:

- s.36 Consent Condition 12. Design Statement

The Decision Letter and Conditions, marine licence and other relevant documents, can be found on our website, following the link below:

<http://www.gov.scot/Topics/marine/Licensing/marine/scoping/Kincardine/decision-letter>

The condition states that the plans are to be submitted to the Scottish Ministers for their written approval, following a consultation with the appropriate stakeholders as specified in the consent condition, and any such other advisors as may be required at the discretion of the Scottish Ministers .

We would appreciate any comments you may have on the attached Design Statement and its suitability to discharge the condition in order to determine whether it is fit for purpose for the Scottish Ministers to give it their written approval. Please note that we do not seek comments on the Marine Licence, the Consent nor on the conditions, which will not be amended.

If you wish to submit any comments, please send them to MS.MarineRenewables@gov.scot before the **26th April 2018**. If you have no comments to make please submit a "nil return" response.

All
With reference to the Construction Method statement, the Cable Plan, the Development Specification and Layout plan & the Navigational Safety Plan.
Given that revisions were distributed to cover the initial omissions, and the developers have agreed to edit correctly references to the SFF/ SFFSL, if these are reflected in the final documents, the SFF are content to submit a “Nil Return Response” to these documents
