Project Information Document ("PID")

I refer to your correspondence dated 26 May 2025 in which the Company submitted a revision to the PID dated 26 May 2025.

The PID was submitted in support of the marine licence application made by the Company on 12 February 2021 and a marine licence was subsequently granted by the Marine Directorate - Licensing Operations Team ("MD-LOT"), on behalf of the Licensing Authority, to the Company on 23 July 2021. The marine licence was subsequently varied by the Licensing Authority on 29 November 2021, 27 July 2022 and 20 October 2023.

MD-LOT on behalf of the Licensing Authority approve the revised PID dated 26 May 2025.

Any further updates or amendments made to the PID, must be submitted to the Licensing Authority by the Company, in writing for written approval prior to the planned implementation of the proposed amendments or updates.

Unless otherwise agreed in writing by the Licensing Authority all activities must proceed in accordance with the approved revised PID.

Yours sincerely,

Andrew Nicol
