Dear Mr Wright,

ELECTRICITY ACT 1989

Seagreen Alpha Wind Energy Limited (“the Company”) (Company Number 07185533)

Seagreen Bravo Section 36 Consent (as varied) – condition 15

Offshore Wind Farm (“OWF”) Vessel Management Plan (“VMP”)

I refer to correspondence dated 13 February 2025 in which Seagreen Wind Energy Limited, on behalf of the Company, submitted a revision to the OWF VMP dated 13 February 2025.

The VMP received multi-stage regulatory consent from the Marine Directorate - Licensing Operations Team (“MD-LOT”) on behalf of the Scottish Ministers in a letter dated 13 November 2020.

MD-LOT has consulted with the Forth and Tay Commercial Fisheries Working Group, Joint Nature Conservation Committee, Ministry of Defence, NatureScot and the Whale and Dolphin Conservation on the revised plan and no update was required.

MD-LOT on behalf of the Scottish Ministers approve the revised OWF VMP dated 13 February 2025.

Any further updates or amendments made to the OWF VMP, including any amendments to its appendices, must be submitted to the Scottish Ministers by the Company, in writing for written approval prior to the planned implementation of the proposed amendments or updates.

Unless otherwise agreed in writing by the Scottish Ministers all activities must proceed in accordance with the approved OWF VMP.

Yours sincerely,

Kate Taylor

Marine Directorate - Licensing Operations Team
