THE ELECTRICITY (APPLICATIONS FOR CONSENT) REGULATIONS 1990

Notice is hereby given that Spiorad na Mara Limited, registered under company registration SC717716 at Regus Building, 1st Floor, 93 George Street, Edinburgh, EH2 3ES, has applied to the Scottish Ministers for:

- consent under section 36 of the Electricity Act 1989;
- declaration under section 36A of the Electricity Act 1989; and
- marine licences under section 20 of the Marine (Scotland) Act 2010

to construct and operate an offshore wind farm located approximately 5 -13 kilometres off the west coast of the Isle of Lewis, with a total area of 161 km² (central latitude and longitude co-ordinates: 58° 24.485' N 006° 47.273' W (WGS84)). The installed capacity of the proposed generating station would be approximately 900 MW, comprising between 44 and 60 turbines each with a maximum height between 293.8 metres and 338.4 metres above Mean Sea Level.

The proposed development is subject to an environmental impact assessment (“EIA”) under the EIA regulations listed above.

Copies of the applications, including plans detailing the location, together with a copy of the EIA report discussing Spiorad na Mara Limited’s proposed development in more detail and presenting an analysis of the environmental implications, are available for inspection, free of charge at:

Any representations should be made in writing to the Scottish Ministers by email to MD.MarineRenewables@gov.scot or by post to Marine Directorate - Licensing Operations Team, Scottish Government, 375 Victoria Road, Aberdeen, AB11 9DB, identifying the proposed development and specifying the grounds for the representation, not later than **7 May 2026**. The Scottish Ministers may however consider representations received after this date. Representations should be dated and should clearly state the name (in block capitals) and the email or postal address of those making the representation.

Any subsequent submission by Spiorad na Mara Limited of additional or further information (as defined in the above EIA regulations) to the Scottish Ministers will be publicised in a similar manner to the current application including publication on the above websites. Representations relative to additional or further information should be made on the same basis as detailed above.

Where the Scottish Ministers decide to exercise their discretion to do so the Scottish Ministers can cause a Public Local Inquiry (“PLI”) to be held.

Having considered the applications, the environmental information and the above legislation together with any representations received, the Scottish Ministers may:-

- Consent to the proposed development, with or without conditions attached; or
- Reject the proposed development.

Fair Processing Notice

The Scottish Government’s Marine Directorate - Licensing Operations Team (“MD-LOT”) determine applications for marine licences under the Marine (Scotland) Act 2010 and the Marine and Coastal Access Act 2009 and section 36 consents under The Electricity Act 1989. During the consultation process any person having an interest in the outcome of the application may make a representation to MD-LOT. The representation may contain personal information, for example a name or address. This representation will only be used for the purpose of determining an application and will be stored securely in the Scottish Government’s official corporate record. Representations will be shared with the applicant and/or agent acting on behalf of the applicant, any people or organisations that we consult in relation to the application, the Directorate of Planning and Environmental Appeals should the Scottish Ministers call a PLI and, where necessary, be published online, however personal information will be removed before sharing or publishing.
