Subject: MORAY WEST - Further Information Appropriate Assessment Consultation (HRA) - by 02/10/2018

Dear Sir/Madam,

ELECTRICITY ACT 1989 (As Amended)
MARINE (SCOTLAND) ACT 2010 AND MARINE AND COASTAL ACCESS ACT 2009
CONSERVATION (NATURAL HABITATS &c.) REGULATIONS 1994
CONSERVATION OF OFFSHORE MARINE HABITATS AND SPECIES REGULATIONS 2017

On 8th June 2018 Moray Offshore Windfarm (West) Limited (“the Applicant”) submitted an application to the Scottish Ministers in accordance with the above legislation to construct and operate the Moray West Offshore Wind Farm at a site approximately 22.5 km southeast of the Caithness coastline. Before determining the applications the Scottish Ministers will decide whether it is necessary to carry out an Appropriate Assessment under the above Regulations. To inform this decision, Moray West submitted a Report to Inform an Appropriate Assessment (RIAA) as part of the applications.

Moray West has now submitted further information amending some of the results in the report previously submitted (available [here](#)) to the Scottish Ministers to inform an Appropriate Assessment (the further information is attached).

MS-LOT would appreciate any comments you may have on the extra information to be submitted to MS.MarineRenewables@gov.scot by **2nd October 2018**.

If you have any queries please do not hesitate to contact [MS-LOT](#).

We would be grateful if you could please confirm receipt of this e-mail.
