The consultation request dated 27th July 2018 associated with the above application has been passed to Jacobs CH2M in their capacity as Development Planning Advisor and Auditor to Transport Scotland. The comments below refer to the documentation provided in support of the above application, specifically the additional information submitted on 26th July 2018.

The additional information provided refers specifically to ornithology. As such, Transport Scotland have no further comments to provide at this time. Transport Scotland would highlight their previously issued responses, dated 21st September 2015, 5th July 2017 and 1st May 2018, and advise that these are considered in any further development of Revised Design proposals.

I trust the above is satisfactory, please do not hesitate to contact me should you require any further information.

Yours faithfully,

Alan Kerr
